

Hayes & Finch

British Hallmarked Silverware

"Antiques of the future"

Hayes & Finch are renowned as designers and producers of quality, solid silver products for the church. Our skilled, time-served silversmiths thoughtfully create each piece, paying meticulous attention to every finer detail, ensuring that the finished items represent superior design, quality workmanship and value for money.

1554
Reformation Chalice

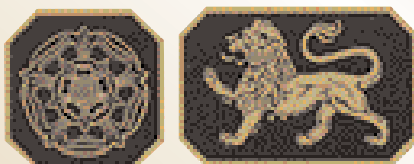

Solid Silver Chalice, 7" high, with a bowl capacity of 4fl.oz. The tulip shaped bowl which is detailed with gold plating, rests on the hand turned stem. The chalice is supplied in a case and comes complete with a solid silver scale paten
