

Wrought Iron from Hayes & Finch

Limited stocks available.

The universal base item 4702 (featured right) is the basis for a versatile church furnishing item. The base can be fitted with a selection of alternative tops giving a multi-purpose product adapting it from a flower stand, to a candle stand or an advent wreath. Each alternative top can easily and quickly change the product to suit the specific requirements of the church.

4714
Advent Candle Holder (to be used in conjunction with base 4702 sold separately). For use with 2" diameter candles. Ornate sloping design in matt black wrought iron, holds 5 advent candles. Overall size 22" wide x maximum of 55" high when inserted into the base and fully extended.

4702
Universal wrought iron base with scrolled leg design in matt black finish. Easy to use locking device that will secure a selection of alternative tops for multi purpose use. Overall height can be adjusted to suit requirements.

4705
Circular flower holder. 9 1/4" diameter x 49" high when inserted into base 4702 and fully extended.

4704
